Unsurpassed Range

Redefining long-range coverage and clarity with a unique antenna design and advances in noise-filtering technology.

Caller ID Announce

The handset and base audibly announce the name of the incoming caller. No need to find the handset to see who is calling. Makes screening calls that much easier.

Full Duplex Handset Speakerphone

Enjoy a speakerphone that can keep up with your calls. Increase participation by allowing both ends to speak—and be heard—at the same time for conversations that are more true to life.
